This 4 day program is a great place for any basketball player who is looking to develop and refine their fundamental basketball skills, including shooting mechanics. Jim Gosz Basketball Academy

July 18-21-St. Paul's Muskego
9:00am-2:00pm

The academy will change your overall approach to playing the game and will incorporate speed and agility training. I highly encourage only those with previous playing experience on an organized team attend. This academy will provide strong competition and more individual instruction than any other camp you have attended.

Grades 3-9
